Prophetic Word	4

'[Consider this:] What soldier at any time serves at his own expense? Who plants a vineyard and does not eat any of the fruit of it? Who tends a flock and does not partake of the milk of the flock? Do I say this only on human authority and as a man reasons? Does not the Law endorse the same principle? For in the Law of Moses it is written, You shall not muzzle an ox when it is treading out the corn. Is it [only] for oxen that God cares? Or does He speak certainly and entirely for our sakes? [Assuredly] it is written for our sakes, because the plowman ought to plough in hope, and the thresher ought to thresh in expectation of partaking of the harvest.'

1 Corinthians 9: 7-10

Slaves or Sons

The Lord has been examining His people. Do we have a paradigm of working for the Lord or with the Lord?

In our assignments, if we see ourselves as working for the Lord, we will easily tire out or grasp for any thing that will work, or we will maneuver to meet that 'bottom line'. The Lord has declared that we are sons and daughters, and not slaves.

As a slave, we will strive to succeed or climb the ladder but a son or daughter lives in a state of rest because of God's ability at work in and through him or her. A barometer for the sons or daughters would therefore be 'How much rest am I living in or working from?' God has prepared a 'rest' for His people and we are only to strive to enter into that rest alone and nothing else.

I have heard Graham Cooke say that 'rest is the ultimate weapon for a believer'. Let us lay aside every weight and encumbrance that robs us of rest in Christ. As his children, we are partakers of Christ's inheritance, we cannot earn it. Philippians 4:13 says that 'we can do all things through (with) Christ who strengthens us'.

When His sons and daughters realize the surpassing greatness of His power that is available toward us who believe, we can live from that realm of being a joint heir with Christ and see Him do the impossible through us. It is God who is at work in us, both to will and do His good pleasure. So, let us allow Him to examine our hearts to see where we stand as one that works for Him or with Him. Let us forsake any self-inspired perspective and

gain our Father's view that empowers us to be His children who have access to all that He is and all the He has, to see His kingdom advanced over all the earth.

They that are led by the Spirit are the sons of God. In case you have not noticed lately, the whole earth is groaning, waiting for us to manifest a mature sonship. Let us continue on the path as sons and daughters, ambassadors with our King, executing His will in our families, businesses, various spheres of influence and throughout the earth.

May the Father bestow upon us, this ultimate weapon of His 'rest' in all that we are and all that we do, as His children.
