Testimonial

"Each month as I read my prayer report I am so thankful for you and Divine Exchange! So appreciative that God made us a Body, a family. Your report confirms my feelings, expresses my desires and continually challenges me to remember that I do belong to heaven – and in spite of all of the earthly distractions, I am here on assignment! Your reports help "lift the fog" as I focus on trusting God for all things – and of course I'm always "hungering" for more of Him! Thank you to your entire team, for your encouragement and the rich blessing you are in our lives!"
